

As a parish school, we have a vital relationship with Saint Mary Nativity Church. The school exists as a ministry of the parish. We would not be here without the church. The actual cost to educate a child at SMN is \$8,700 (K-8) and \$6,000 (PS). As you can see below, the rates are discounted. The school encourages families to participate in parish life at St. Mary Nativity Church.

*Pre-school is not a part of compulsory attendance in the State of Illinois. Because of this, all preschools in the Diocese of Joliet are required to be self-supporting and do not receive any parish subsidy. We understand the importance of early childhood education; therefore, we do not want the cost to prohibit families from enrolling. **Families with a child enrolled in K-8 are extended a 20% discount on pre-school tuition.**
