Financial Suspension

St. Mary Nativity school families are expected to stay current with outstanding obligations to the school which includes tuition, fees, and fundraising requirements. All family tuition accounts must be paid and up-to-date to avoid financial suspension. If the family tuition account is not up to date, financial suspension could be imposed.

Financial suspension would mean:

- ◆ The student will be unable to attend class
 - ◆ The student will not be allowed to take exams, submit homework or receive academic credit during the time of suspension. It will be the student (s) responsibility to make up any academic work.
 - ◆ Any previously awarded financial assistance, tuition grants, discounts, and family referrals will be forfeited.
- It is your responsibility as a parent to work with the principal and business manager in order to avoid financial suspension of your child(ren). We also understand that unforeseen financial difficulties do happen. If you are unable to meet your obligations to St. Mary Nativity Catholic School, please ask the principal and business manager to arrange a meeting with the pastor to discuss your situation.*

The following consequences will be imposed should your tuition account become one month or more in arrears:

- ◆ If accounts are 30 days or greater in arrears: Student(s) will not be allowed to attend aftercare or use the bus service. A phone call will be made to the parent(s).
- ◆ If accounts are 60 days or greater in arrears, student(s) will be removed or restricted from all extracurricular activities such as class trips, sports or club activities and a telephone reminder call will take place.
- ◆ If accounts are 90 days or greater in arrears, the family involved will be required to meet with principal to discuss action moving forward.
- ◆ The family's account will be sent to a collection agency at the pastor's discretion

Should a family wish to transfer their child to another school due to financial delinquencies, there is a records transfer fee of \$250 per student. Furthermore, all textbooks, electronic devices, sports uniforms, and any other items belonging to the school must be returned to the school before records will be released.
